

Letting us know of your intentions

The details of your will are naturally a private matter and, understandably, you may prefer to keep your intentions to yourself. However, if you wish, you can use this form to let us know whether you propose to leave a legacy to the University of Oxford or one of its colleges.

Returning the form in the envelope provided does not commit you or us in any way. It simply includes us in your current plans and enables us to respond appropriately. Your reply will be treated with the utmost confidentiality.

At present, I am intending to include a legacy to the University of Oxford in my will
